

With the weather cooling and leaves beginning to drop, bring the outside in and let nature inspire you! Simple and easy fall décor can make a big impact for the festive season ahead.

5 natural elements to decorate with for fall:

1. Acorns – try grouping them in a vase or bowl
2. Fall leaves – this adds a warm pop of color to the room
3. Dry beans/lentils – beautiful alone in a container or paired with a candle
4. Festive sweets – candy corn or other seasonal candies
5. Gourds – there is a shape, size, and color to match everyone's style!

Cozy up your home this season with these 5 decorating ideas:

1. Add some plush pillows and chunky throw blankets
2. Create fall table arrangements
3. Add a touch of fall to your mantel
4. Bring the outside in with natural elements, please see the list above
5. Your home doesn't end at the front door – decorate your front porch!
