IT DOESN'T GET ANY BETTER THAN FIRE WORKS!

fireworkspizza.com 703.527.8700 2350 Clarendon Blvd., Arlington

**F THE PAST TWO YEARS HAVE TAUGHT US ANY-THING,** it is that the only certain thing in life is uncertainty. New ways of living, once unthinkable, have become commonplace. And yet we all keep forging ahead.

The pandemic era has proved a challenge to local businesses, yet in spite of those many difficulties, many across the Sun Gazette coverage area not just persevered, but found new ways to thrive. A focus on creativity and customer service served them well.

And among those businesses, there are some that truly have gone the extra mile. And those are the ones we highlight this week.

It is those businesses that have been named by Sun Gazette readers as the BEST OF THE BEST. Businesses, organizations and individuals in a wide array of categories that stand out from the crowd.

Though different in many ways, they share one common trait: A commitment to excellence, in good times and bad, to make our lives the best they can be.

We thank the hundreds upon hundreds of Sun Gazette readers that took the time to vote, and congratulate the 2022 award winners. You truly stand at the TOP IN YOUR COMMITMENT TO ALL OF US IN THE COMMUNITY, AND HAVE EARNED THE TITLE BEST OF THE BEST.

# Why you need dental insurance in retirement.

Medicare doesn't pay for dental care.<sup>1</sup> As good as Medicare is, it was never meant to cover everything. If you want protection, you need to purchase individual insurance.

Early detection can prevent small problems from becoming expensive ones. The best way to avoid large dental bills is preventive care. Experts recommend checkups twice a year.

**Previous dental work can wear out.** Your odds of having a dental problem only go up as you age.<sup>2</sup>

**Treatment is expensive** — especially the services people over 50 often need. Unexpected bills, like \$189 for a filling, or \$1,219 for a crown<sup>3</sup> can be a real burden, especially if you're on a fixed income.
